## Creating your SMSU Teacher Performance Assessment Document in Livetext

In order to create your edTPA portfolio in Livetext, follow these steps:

- 1. On the Internet, go to <u>http://livetext.com;</u> log in with your username and password. Click on the 'Livetext Docs' link.
- 2. Click <u>New (with the green + sign</u>)

## Documents

3. On the new page that comes up, select the EdTPA Templates folder:

Documents Main Page

## Create a Document

- 4. Choose your content area under the list in this menu
- 5. Next, click on the green 'Create Document' tab on the bottom right side:

| Title:            | National: edTPA Secondary Mathematics (Official |
