Hi Livetext – Katelyn has submitted an incomplete assignment for edTPA in ECE for ED 304L- 02, and didn't realize it until her university supervisor had opened it to score. Because her supervisor had already opened it, she is unable to withdraw the submission. Can you delete her submission so that she can attach the full edTPA? THANKS for your help on this! I've cc'd Katelyn on this email as well, in case you need anything from her.

Sincerely,

**Dr. Rhonda Bonnstetter BS '96, MS '99**
