DIRECTIONS: General Fund includes GEN and SGR appropriations. Revenue Fund includes only operations supported by this fund. Other Funds include auxiliary enterprises, federal/private operating grants, federal/state financial aid, and local special revenue (i.e., student activity, health services, intercollegiate athletics, etc.). In the sources line titled "fund balance," only include the amount of fund balance you are using to support your FY2020 - FY2021 budgets. At the bottom of this spreadsheet, please make sure you enter estimated reserve amounts for FY2020 - FY2021 and the amount of financial aid you included in the "other funds" for FY2020 - FY2021. Remember financial aid revenues should be offset with an equivalent amount of expenditures. The tuition line item should include all tuition generated from credit-based activity; non-credit tuition should be reported as other sources.
