Based on the Department's Final Regulations issued on May 14, 2021 (86 FR 26608, available at <https://www.federalregister.gov/d/2021-10190>), students are not required to be eligible for Title IV student financial aid in order to receive HEERF emergency financial aid grants. Title IV eligibility for this question is based on the number of students for whom the institution has received an Institutional Student Information Record (ISIR) plus the number of students who completed any alternative form developed by the institution. In reporting these data, students should be classified as Title IV eligible if they were determined to be Title IV eligible at any point during the reporting period.

c) Briefly describe the "other operating revenue" reported above:

Brief description

The \$60,000.00 was lost revenue/commission from an exclusive pouring contract, because of reduced sales in the food service, low vending, reduced camps, and reduced or no concessions, there was not the revenue for the Coke company and therefore we did not earn the exclusive pouring contract revenue.
