How to Use Elective courses in the Grad Planner:

How to add a course that SMSU offers but is not a required course on the left hand audit side:

- On Right hand plan side in the term that you want to add the elective course click on Add Course button
- Enter Dept code
- All course numbers under that Dept code appear when you enter a number in the first field
- Click on the course you want to add and OK button and course will be added to that term

Add Course 🗶	Graduation Goal GPA: 0.000 Projected Cumulative GPA: 0.000 Expand All / Collapse All
