

Residence Life Students and COVID-19

If you believe you have symptoms of COVID-19 or you have tested positive for COVID-19, please contact the Office of Residence Life at 507-537-6136. In addition, please review the *Current COVID-19 Guidance* document at the link below for instructions as to what your steps will be.

In the event that a residential student has tested positive for, or been exposed to COVID-19, and requires isolation or quarantine, alternative living arrangements will be provided in the HB Complex, an on-campus residential facility. The complex is set up with individual units that have been reserved in the event of the need for isolation or quarantine of any residence hall student. The number of rooms vary, according to the need.
