Date of the Visit: _____ Course(s) Visited: (IE: MATH 110) _____

What type of visit was conducted?

- In-person at the high school
- Virtual
- The high school traveled to SMSU for their visit.
- Other (please describe):

Have students received an approved syllabus?

- Yes
- No
- Not sure, but I will verify with the instructor

The format of this classroom visit was:

- Mentor-lead Content Presentation
- An observation of a CE Instructor-lead Content Presentation
- Content Presentation co-taught by Faculty Mentor and CE Instructor
- Other (please describe):

What is your impression of the student interest within the course?

- Extremely engaged and involved with the content and classroom activities
- Slightly engaged and involved with the content and classroom activities
- Indifferent to the content or classroom activities
- Disengaged or not participating with the content and classroom activities
- Other (please describe):

Do you feel the rigor and depth of the course content/assignments are equivalent to that offered on campus?

- Yes
- No
- Other (please describe):

Please check ALL that apply regarding the visit:

- I introduced myself and discussed the content of the course and the course expectations.
- I observed a lecture presented by the CE instructor.
- I observed students working individually or in groups on projects/assignments.
- I answered student questions about the course/content.
- I answered student questions about SMSU and college in general.
- I discussed the instructor's plans for the remainder of the course.
- I provided and discussed additional resources that could be useful regarding the remainder of the course and planned activities.
- I reviewed my observation of the course with the instructor, making both suggestions for improvement and noting successful elements.
- I had prior communication with the instructor to organize the content delivered during the co-teaching class presentation.
- I discussed the instructor's credentialing status and plans regarding the HLC deadline.
- Other (please describe):

If you discussed HLC requirements with the instructor, what are their plans regarding credentialing?

- This instructor currently meets credentialing.
- This instructor is working towards meeting credentialing and will either meet or be close to meeting by the deadline.
- This instructor is not pursuing credentialing and will no longer teach concurrent enrollment after the deadline.
- This instructor was not aware of the HLC credentialing requirements and needs additional information.
- We did not discuss instructor credentialing.

Do you have any concerns that need to be addressed regarding this course or the concurrent enrollment teacher?

(If yes, the College Now Office will reach out to you for further details.)

- Yes
- No

Any additional comments? *(i.e. - Were there any specific comments or ideas shared with in your visit that interested you? Or do you have any recommendations for this course?)*
