# SMSU Disc Golf Course

# SMSU DISC GOLF COURSE

## Guidelines

- Each hole begins at the tee.
- Following throws are made from the lie, or where the disc comes to rest.
- The player farthest from the basket goes first.
- The hole is completed when the disc is supported by the target's basket or chains.

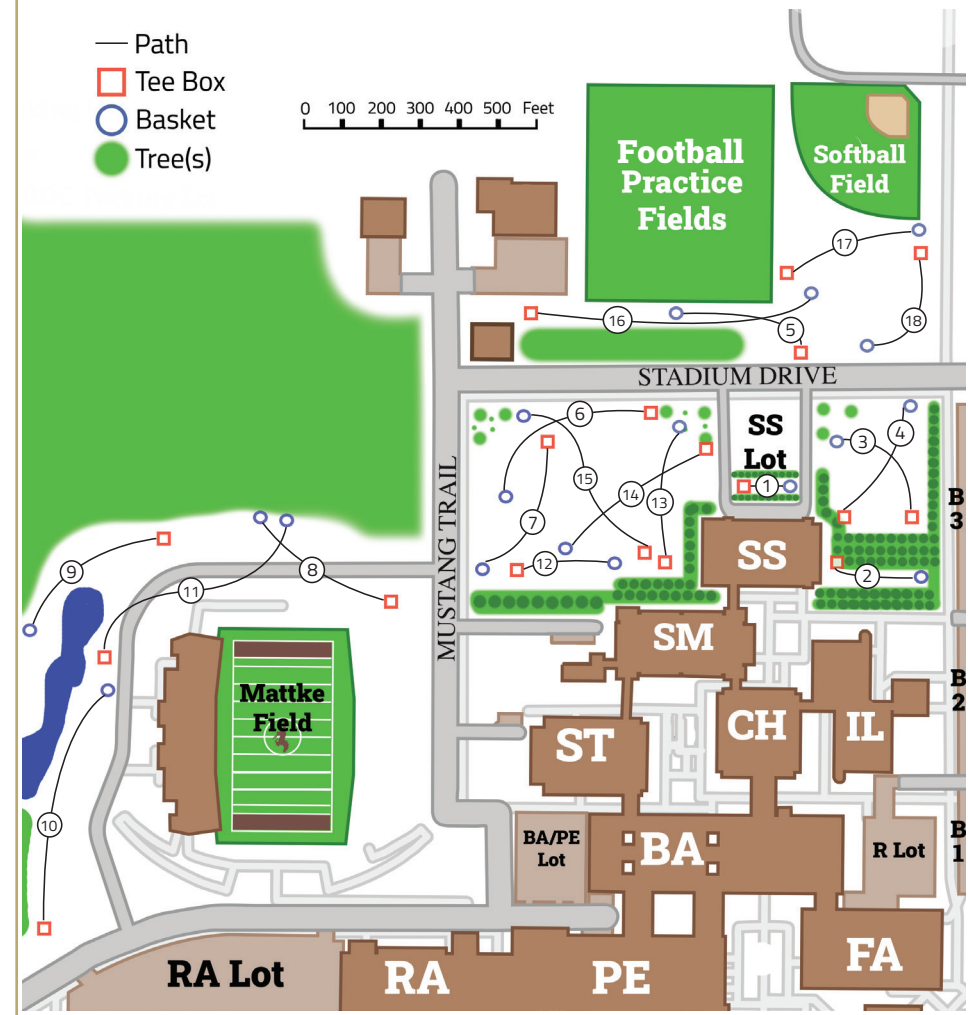

## Rules Of Play

- Must have a supporting point behind their lie, and be in line of the target when the disc is released.
- Run-Ups and Follow-Through are allowed, unless the lie is within 33 feet of the target.
- A putt is any shot that is within 33 feet of the target.
- Casual relief should be taken from an unsafe lie.

## Etiquette

- Remain quiet and avoid unnecessary movements when others are throwing.
- Stand behind the thrower until their throw is complete.
- Remove disc from target when completed.
- Allow faster groups to play through when possible
- Respect the course. Place trash in proper receptacles. Do not alter trees or obstacles.
- Vandalism offenses will be prosecuted.

# COURSE MAP

We hope you enjoy the SMSU Disc Golf Course. The safety and comfort of our guests is important. If you see something, say something.

To report vandalism or unsafe conditions, notify University Public Safety at 507-532-7252. For emergencies on the course, call 911.
