

Mission

The Mustang Booster Club is an organization dedicated to supporting, promoting and advancing SMSU athletics.

The objectives of the Mustang Booster Club are:

- To provide scholarship dollars for SMSU athletics.
- To enhance the profile and visibility of the SMSU athletic program, its teams and its student athletes.
- To expand the level and scope of support for the SMSU athletic program among the community and alumni.
- To strengthen and establish positive relations with the community and alumni in support of SMSU athletics.

Why should I support SMSU Athletics?

The athletic programs at Southwest Minnesota State benefit the entire university and in turn our surrounding communities. Whether in the NSIC or NCAA competition, Mustang athletes demonstrate the SMSU commitment to high quality in both academics and athletics. The outstanding young women and men who participate each season for the Mustangs are building important physical skills and at the same time gaining a superior university education. The Mustangs are working to be the pride of southwestern Minnesota.

For more information on joining the Mustang Booster Club call
(507) 537-7204
