

Parking Lot Clearing / Snow Removal at Southwest Minnesota State University – Saturday Procedure

After a significant snow event, multiple inches of snow and/or heavy winds causing drifting, all vehicles in the affected lots as listed below must be moved to one of the designated parking areas by 10:00 a.m. on Saturday following the snow event. Employees and students will be given at least a four day notice prior to the snow removal. Vehicles will be allowed to return to the parking lots after 4:00 p.m. the same day of snow removal. **Vehicles left in the lots during the designated times will be towed.** The towing costs of the towed vehicles will be assessed to the vehicle owners or permit owners. Vehicles will be towed to a lot on campus that is not being cleaned that day.

Notification will be e-mailed to all students and employees and a notice will be published on SMSU Today. Residential Life /Student Housing will also provide notification to students and temporary signage may be used.
