Criterion 1
Subcommittee Minutes
March 8, 2013

Members Present: Doug Simon, Betty Roers, Kim Guenther, Don Robertson and Brandon Rose

Doug Simon and Betty Roers convened the meeting at 1:30 in CH 219. The meeting discussion centered on the strategy to employ in writing a draft for Criterion 1. In that discussion, parameters were highlighted to identify what areas were central to criterion 1 and what areas were more specific to other criterions.

The Chapter Table of contents was reviewed. Also members were asked to review all the Criterions as there will be overlap. Be ready to have other Criterions contact you for information.

Kim and Don will begin writing parts on College Now and Diversity respectively. Betty will begin writing on the "Public Good" beginning with 2+2 & Senior College. Doug volunteered to begin drafting a piece on the SMSU mission and its visibility.

Doug & Betty will contact Christine Olson and Carrie Hansen to review what they will be submitting for Criterion 1.

The committee adjourned and will meet at a time TBD.
