Nurses of Tomorrow Scholarship

Deadline: June 6

For four years, Medical Solutions LLC has funded the Nurses of Tomorrow Scholarships to award $1,000 to three financially needy nursing students to finance their associate’s, bachelors, masters, or doctoral degree in nursing from an accredited U.S. college. All applicants must be enrolled full-time in nursing coursework, maintain a minimum cumulative GPA of 2.75, be actively involved in community services, demonstrate financial need, have U.S. citizenship or legal residency, and show promise for leading the world’s next generation of nurses. Candidates must write a short 250-word personal essay describing what they’ll do to always provide exceptional patient care.
