Nursing Economic Foundation Scholarship

Deadline: May 15

As part of the Anthony J. Jannetti Foundation, the Nursing Economic$ Foundation has created scholarships to grant $5,000 for up to four current registered nurses who are heading to graduate school to earn a master’s or doctoral nursing degree with an emphasis in management or administration. Qualified candidates must be matriculating into an accredited U.S. graduate school before this fall, have career objectives in nursing leadership or management, be American citizens, and possess a valid RN license. Applications must include a complete curriculum vitae, GRE test scores, official undergraduate transcripts, and a short personal statement highlighting nurses’ leadership goals.
