To whom it may concern,  
Good morning! My name is Heather Joseph and I am reaching out to you regarding summer job/internship opportunities for your hospitality students. Our properties, Bear Lodge Resort and Elk View Inn, are located in the beautiful Northern Big Horn Mountains of Wyoming. Both properties are year-round resorts with hotel, restaurant, bar, ATV/snowmobile rentals, and more. We are very busy in the summer months with outdoor recreationists, tour buses, weddings, family reunions, and tourists headed to/from Yellowstone. We currently have summer (and year-round) positions available such as kitchen manager, line cooks, servers, bartenders, dishwashers, housekeepers, front desk, and maintenance and are wondering what is the best way to reach out to your hospitality students with summer job/internship opportunities? All positions include a bi-monthly salary plus room and board. We are excited to help students acquire some experience in their future career field and look forward to hearing from you soon how to make that happen.

Thank you!

-Heather Joseph
