

Helping Students Reach Their Career Goals

The following example shows the commitment of faculty at SMSU. They get to know their students. They listen and help students get to their career goals, even after they graduate.

Leona R.:

Hey! So I was offered a paid position as a guardian ad litem for the state!! I have to accept soon. Do you think I can do it?

BC:

I know you can because she called me first and I told her how great you would be!!!!!!!!!!!!!!!!!!!!

Leona R.:

You are the best! Thank you for the boost of confidence and always being there to help me achieve my dreams. Considering where I have come from and the struggle some days, I didn't think I would be able to achieve this at least for awhile. Your classes will definitely help me 😊
