

## Additional Licensure: Teaching English as a Second Language (TESL) Grades K-12

This advising guide is for teacher candidates who already hold a tier 3 or 4 MN professional license. The Standards of effective practice have been met with initial licensure. Instead of a 12-week student teaching placement, there will be a minimum 80-hour practicum after all coursework has been completed.

| Course                                          | Title                                                              | Credits   | Sem   |
|-------------------------------------------------|--------------------------------------------------------------------|-----------|-------|
| <b>TESL Content Methods and Reading Courses</b> |                                                                    |           |       |
| ED 502                                          | Early Literacy and Linguistics & LAB ** *                          | 3         | F     |
| TESL 531                                        | Foundations of Teaching ESL & LAB **                               | 3         | B     |

| <b>Advanced Practicum</b>                       |                                                                    |           |       |
| TESL 537                                        | TESL Practicum **                                                  | 3         | B, Su |
| <b>Total Credits:</b>                           |                                                                    | <b>24</b> |       |

F = Fall    S = Spring    B = Both F & S    Su = Summer

\*\* Courses that need to be taken at SMSU (not articulated)

\* Courses that meet Reading Standards

**Required preparation includes two years of high school foreign language or one year of foreign language in a post-secondary setting. This is for MN licensure per the Professional Educator Licensing and Standards Board. Evidence of this will be required when applying for licensure.**
