### Minor: Special Education Notes:

NOTE: Teacher licensure requirements given in this catalog are subject to change without notice to accommodate the requirements of licensure and accrediting agencies. These changes may be applied to students currently enrolled in the program. Students seeking a teaching license must complete a program approved by the Minnesota Professional Educator Licensing and Standards Board; the University will then recommend that an appropriate license be issued. Students interested in Teacher Education should ask for the most up-to-date information on teaching licensure requirements in the School of Education Office
