Yellow and Blue Discovery Day

Upward Bound students attended a college visit to SDSU on November 20, 2021. Students learned how to become a Jackrabbit by going through the application process, were educated on paying for college, and about life on campus. They were given in-depth access to department faculty, classrooms, and labs, and enjoyed a tour of campus, including a visit to a residence hall, as well as attended a Jackrabbit's football game.

Go Jackrabbits!

Upward Bound

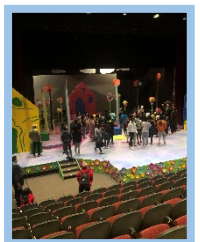

...is College Bound!

I Am First!!

The 2nd Annual "I am First" celebration was November 6, 2021.

Students enjoyed a Key Note Speaker, Carl Douglas, tour of the Fine Arts building, an Upward Bound alumni panel, a professional teacher panel, and got the choice to attend the Pinkalicious musical at SMSU or the SMSU football game.

Worthington 2020 Graduate, Betty Garcia Herrera, "shows commitment to activism". An article posted on the College of Saint Benedict/Saint John's website interviews Garcia Herrera. Read the article below to learn more about her efforts and achievements.
