

PURCHASING CARD POLICIES AND PROCEDURES

Part 1. Authority

<https://www.minnstate.edu/board/procedure/703p3.html> provides authority for a college, university or system office to establish a credit card program for business use only. Each college, university, or system office using a Purchasing Credit Card Program must establish procedures and forms for implementing and monitoring the program.

Part 2. Purpose

The purpose of the Purchasing Credit Card Program is to provide an alternative form for purchasing necessary business commodities easier and faster. The program will also shorten the approval process and reduce time and paperwork for processing of high volume small dollar amount purchases.

The program should eliminate many typical purchasing steps such as preparing a requisition, preparing a purchase order, matching a packing slip to a purchase order, matching an invoice with purchasing requisitions, individual payments of invoices, etc.

Part 3. Application for a Purchasing Card

A completed Purchasing Card application is required for each Cardholder. Supervisor approval is required in the application for a purchasing card. The address used on the Cardholder application for the Employee will always be their Southwest Minnesota State University mailing address.

Part 4. Purchasing Card Program Cardholder Agreement

All cardholders must sign and accept the terms and conditions of Southwest Minnesota State University's "Purchasing Card Program Cardholder Agreement." Cardholders must also complete a "Delegation of Authority" in order to authorize their use of the Purchasing Card.

Part 5. Purchasing Card Requirements

The Purchasing Card will be customized to each Cardholder's needs and will include:

- A dollar limitation on the card
- A dollar limitation of purchasing authority per transaction
- A dollar limitation of purchasing authority for the total of all charges made during each monthly billing cycle
- Merchant category blocking

Part 6. Cardholder's Responsibilities

The Cardholder will be responsible for signing the card when it is received, the security of the card, and all transactions made against it. Purchases made against the card will be considered to have been made by the Cardholder.

The Cardholder must request a copy of the vendor's itemized sales receipt/invoice or cash register slip if over the counter for verification of purchase. The Cardholder's individual purchasing card number and his/her name must be given for all orders processed and specific delivery instructions must be provided to the vendor. **The purchased goods must be delivered directly to a Southwest Minnesota State University location ONLY.** All transactions processed against the Purchasing Card must be made by the employee to whom the card is issued. **The card cannot be used by another person or for personal use.** The card cannot be transferred from one employee to another.

Part 7. Sales Tax

SMSU is exempt from sales tax. The cardholder must inform the vendor of Minnesota State's tax exemption status. The tax-exempt ID number is printed on your card. If the vendor charges sales tax and will not refund the amount back to your card, **YOU ARE RESPONSIBLE FOR PAYING THE SALES TAX WHEN TURNING IN YOUR REPORT. If this is not done your purchasing card will be suspended until the tax is paid and the reinstatement form is completed. If cardholder continues to have transactions with Sales Tax the card will be suspended.**

Purchases of lodging (under 30 days), waste collection and disposal services, or purchases or leases of motor vehicles are taxable and sales tax should be included in the charge transaction at the time of purchase if a purchase card is used.

Part 8. Allocation and Report Deadline the 8th of each month

The billing cycle ends on the 8th of each month. Each Cardholder will be responsible for going on-line during the month to review, approve and reallocate their charge. In no case may the individual make payment to the credit card company. Southwest Minnesota State University Business Office is responsible for making payment of all purchases and will process the charge against the cardholders cost center.

All purchase transactions must be recorded on the Cardholder Activity Report each month. The report will be signed to verify the transactions were made by the Cardholder and the Cardholder's supervisor or authorized reviewer has reviewed and approved these purchases. It is the cardholder's responsibility to send the completed report to Business Services. Original detail receipts, invoices, etc. must be attached to the Cardholder Activity Report and submitted to the Business Office **by the 15th of each month. Failure to submit the required documentation by the 15th of each month will result in suspension of the card (except when in travel status and the Purchasing Clerk has been informed of travel status).**
