

RETURN TO CAMPUS. RETURN TO LEARN.

# CLASS FORMATS

## IN-PERSON

Select classes require students to be physically present to achieve learning outcomes. Examples include science labs, hands-on instruction, and others.

## HYFLEX

HyFlex, short for Hybrid-Flexible learning environments, is a type of course delivery that allow students to flexibly attend the same class in-person or remotely via Zoom.

## ONLINE

Fully online classes, no in-person or on-campus component. For classes offered online in the past or for online degree programs.
