

YOUR MUSTANG STUDENT ID & STAR ID

All SMSU students have an 8-digit Mustang Student ID number. It is also known as your Tech ID. Your Mustang Student ID number will appear on your university issued identification (ID) card. This card will be issued to you once you arrive on campus. **Please find your Mustang Student ID number listed at the top of your admission letter.**

You also have a StarID. This was the ID created when submitting an online application (it consists of 2 letters/4 numbers/2 letters - for example: *ab1234cd*). Your StarID is used to log into all online applications throughout your studies at SMSU. The StarID is different from your Mustang Student ID number. Please use the directions below to activate your StarID and login to your E-Services account.
