- Sheila Tabaka: Will be in the shop (FA104) advising students on a first come/first served basis in the afternoon.

Music - Advisors will be in their offices on advising day or will meet by Zoom if requested by a student.

MATHEMATICS AND COMPUTER SCIENCE

Students MUST make arrangements to meet with their academic advisor either in person or via Zoom for an individual advising session.

MUSTANG PATHWAY & AOS STUDENTS

Jeet Sausen - MPP and ODI students should check their email to schedule an appointment. They can also drop in to ODI on a first-come, first-served basis on Advising Day in the afternoon.

Michele Knife Sterner - will email students to set up in-person appointments. All appointments in Commons East.

SCIENCE

Students MUST make arrangements to meet with their academic advisor either in person or via Zoom for an individual advising session.

SOCIAL SCIENCE

History – Advisors will email students to set up appointment times either in-person or on Zoom.

Justice Administration – The Justice Administration professors will advise students as a group – which means that general information will be given to all regarding courses and processes. After that, general information students will work on their own, yet professors are available to answer questions. Students can come anytime between 10am and 12pm as we are flexible. Advising will be in CH 104. First year students come from 10:00-10:30am. Second- & third-year students come from 10:30-11:30am. Fourth year students (and beyond) come any time before 12pm.

Political Science – Sign up on the schedule outside CH107B. Advising will be in CH108 from 10:30-3:00.

Psychology – Advisors will contact advisees and set up individual meeting times.

Sociology – Advisors will email students to set up appointment times either in-person or on Zoom.

Social Work – Social Work students will be receiving an email about advising from their advisor. Students need to schedule an individual meeting with their advisor to receive their access code.
