Dear Faculty and Staff,

In partnership with faculty leaders, Minnesota State is coordinating an online event Wednesday, March 25: **Keep Teaching through COVID-19, The Great Minnesota State Disciplinary Get Together.** Kim Lynch, System Director for Educational Innovations, and I have created a [video](#) to promote this event. You'll find it on the top of our updates at <https://www.minnstate.edu/coronavirus/index.html>.

We hope you will find time to make this a part of your day on Wednesday. And thank you for all you are doing to ensure our students' success.

All my best,
Devinder
