Living & Learning Communities provide the opportunity for students to live in an environment that is either of academic or special interest. By selecting to live in a Living & Learning Community, you are agreeing to participate in the activities, programs and meetings set forth by your Resident Assistant and Program Assistant and are reflective of the mission of your community. For more specific expectation and information about the community that you are applying for – please visit our website for more information.

- 1. Please tell us why you are interested in signing up for a Living & Learning Community?
2. Please share with us what being a student leader means to you?

Please turn this application in to the Residence Life Office in Naoutha in order to sign up for an LLC room.

PLEASE READ CAREFULLY AND SIGN THAT YOU UNDERSTAND AND ACCEPT THIS INFORMATION:

I certify that the information on this application is accurate and complete. I understand that residing in a Living & Learning Community is a privilege and based on my involvement and participation in activities, programs and meetings I am subject to eligibility to continue living in said community. I will respect my living community, Resident Assistant, Program Assistant and will be responsible for any damages that happen within the house either personally or as a group. I understand that as a student leader, I will follow the expectations of the house/community, the Guide to Community Living and the Student Code of Conduct and violating these expectations or policies could lead to the removal of me as a resident from this community.
