Student Signature: _____ **Date** _____

Advisor Signature: _____ **Date** _____

Abbreviation codes are as followed: F = Fall; Sp = Spring; Su = Summer; E = Available even years; O = Available odd years; 1 = Take in first year of program; 2 = take in the second year of program; (in parathesis) = another option to take the course, although the first listed option is the suggested time. You are responsible to keep informed of any changes in requirements, which may affect your academic career.

Students enrolled in the Masters of Science in Education program choose between Plan A and Plan B options. All students complete the Professional Education Core and a Professional Field Emphasis. Students who opt for Plan A complete ED 627, "Research Project Implementation" for a total program length of 34-38 credits. Students who opt for Plan B may take ED 624, "Research Project Design" or an elective in place of ED 627, "Research Project Implementation" for a total program length of 32-36 credits.
