“Charter school leadership is unique and requires an approach that will give new leaders a jump start and refresh experienced leaders. SMSU has partnered with practicing and experienced charter school leaders to bring an authentic approach to learning”.

Mr. Jason Ulbrich
Executive Director,
Eagle Ridge Academy

“Leadership matters: It is second only to teaching (of school - related factors) in its impact on student learning and, since leaders hire and train teachers, leadership becomes the most important factor. SMSU’s program develops the core leadership skills necessary to improve the capacity and quality of charter schools deserved by our children”.
